

The AETF 'PRF' PLAY STATISTICS FOR 2015

			TYPE of PLAY	TYPE of ENTRY	No. of 'M'	No. of 'F/M'
32 1st round festivals.	With 263 entries. 2 Cancelled or not scheduled festivals. 265 Total, taking in the 'cancelled festivals'.	Total number of 'ORIGINAL' plays:-	51	191	AETF festival entries.	
		Total number of 'anon' plays:-	10	38	Adult entries un-willing to proceed.	
		Total number of 'not original' plays:-	202	34	Youth entries un-willing to proceed.	
		Total number of 'NO info. provided' are:-	2	2	Cancelled festivals.	
		Totals:-	265	265	756	1139
There were a total of	263	entries this year in the AETF's family of Festivals, all of whom took part in the	32	1st Round Festivals.		
Unfortunately of the	263	entries that participated in the PRF, failure to make returns means that only	263	are accounted for.		
It is interesting to note that	41	of these were monologues or duologues, whilst there were some	36	three handers,		
equally, there were	104	performances with between four and seven characters and	82	which had over 8 characters.		

THE MOST PROLIFIC PLAYWRIGHT WAS:-

David Tristram had 5 plays performed at 10 festivals

Nick Warburton had 4 plays performed at 4 festivals

Les Clarke had 2 plays performed at 4 festivals

There were a number of groups who took the same play around two or three festivals, I have excluded these from being considered under prolific playwright.

THE MOST POPULAR PLAY WAS:-

No play was performed this year at more than three different festivals.

THIS YEAR THERE WERE:-

263 performances, of 214 different 'Plays', written by 189 playwrights.

NOTES

- 1 ALL 'PLAY STATISTICS' RELATES TO PRELIMINARY ROUND FESTIVALS ONLY.
- 2 ALL INFORMATION FOR THESE STATS IS TAKEN FROM THE PROGRAMME FOR THE FESTIVAL CONCERNED.
- 3 No account is taken for plays put in by the same group in different festivals.
- 4 No account is taken for the same original play taking part in different festivals.
- 5 The discrepancies are caused by the failure of some Preliminary Round Festivals to provide the information in their programmes.
- 6 If a copy of the programme is not supplied then the: -
 - Number of 'nights' is taken from the brochure!
 - Number 'plays' is taken as three per night!
 - Assumption is that all entries are AETF!
