

AETF COVID SUPPORT GRANT

Due to the effect of COVID 19 and its disruption to Amateur Theatre and Drama Festivals in particular, we are running a grant support scheme in 2021.

Who can apply:

Any Group or Festival who regularly takes part in the AETF Festival of One-Act Plays.

What can I apply for: Examples would be -

The purchase of any items (for example thermometers, hand sanitisers) that may be needed for rehearsals or performance of your One-Act Plays that directly relates to COVID 19.

Any additional financial support to enter festivals due to COVID 19 Restrictions, or in order to travel further afield for a festival if local festivals are not taking place.

Extra festival costs incurred by lower audience capacity in venues.

Additional Nights of festivals in order to reduce the number of teams per night.

This list is not exhaustive and if you have any COVID 19 related reason for needing support please apply.

How much can I apply for:

Apply for any amount from £50 upwards. We will look at the merit of all applications and may offer a contribution rather than the full amount if the application is in the higher range.

When can I apply:

This is a rolling grant scheme and will be available until the end of the festival season 2021.

How do I apply:

Please complete the very simple application form below with as much detail as possible; smaller grants may be issued very rapidly, larger grant requests may require further financial information.
