

## The AETF 'PRF' PLAY STATISTICS FOR 2019

				TYPE of PLAY	TYPE of ENTRY	No. of 'M'	No. of 'F/M'	Issue 1
				Total number of 'ORIGINAL' plays: -	43	169		AETF festival entries.
				Total number of 'anon' plays: -	16	28		Adult entries un-willing to proceed.
				Total number of 'Published' plays: -	163	25		Youth entries un-willing to proceed.
				Total number of 'NO info. provided' are: -	1	1		Cancelled festivals.
				<b>Totals: -</b>	<b>223</b>	<b>223</b>	<b>612</b>	<b>903</b>
27	<b>1st round festivals.</b>	<b>With 222 entries.</b>	1 Cancelled or not scheduled festivals.					
		<b>223 Total,</b>	taking in the 'cancelled festivals'.					
	There were a total of	222	entries this year in the AETF's family of Festivals, all of whom took part in the	27			1st Round Festivals.	
	Unfortunately of the	222	entries that participated in the PRF, failure to make returns means that only	209			are accounted for.	
	It is interesting to note that	25	of these were monologues or duologues, whilst there were some	28			three hander's,	
	equally, there were	85	performances with between four and seven characters and	71			which had over 8 characters.	

### THE MOST PROLIFIC PLAYWRIGHTS WERE: -

Gillian Plowman had 5 plays performed at 5 festivals  
 Alan Ayckbourn had 4 plays performed at 5 festivals  
 David Campton had 4 plays performed at 4 festivals

### THE MOST POPULAR PLAYS WERE: -

Effies Burning written by Valerie Windsor, Mother Figure written by Alan Ayckbourn and Shared Space written by Peter Yates were performed by two different groups at two different Festivals.

Unfortunately the lack of a program from three festivals means that we are some thirteen plays (& authors) short for this section of the stats.

### THIS YEAR THERE WERE: -

222 performances of 188 different 'Plays' written by 151 playwrights.

### NOTES

- 1 ALL 'PLAY STATISTICS' RELATE TO PRELIMINARY ROUND FESTIVALS ONLY.
- 2 ALL INFORMATION FOR THESE STATS IS TAKEN FROM THE PROGRAM FOR THE FESTIVAL CONCERNED.
- 3 No account is taken for plays put in by the same group in different festivals.
- 4 No account is taken for the same original play taking part in different festivals.
- 5 The discrepancies are caused by the failure of some Preliminary Round Festivals to provide the information in their programs.
- 6 If a copy of the program is not supplied then the: -
  - Number of 'nights' is taken from the brochure!
  - Number 'plays' is taken as three per night!
  - Assumption is that all entries are AETF!

## The AETF 'ORGANISED FESTIVALS' PLAY STATISTICS FOR 2019

				TYPE of PLAY	No. of 'M'	No. of 'F/M'
				Total number of 'ORIGINAL' plays: -	4	
				Total number of 'anon' plays: -	0	
				Total number of 'PUBLISHED' plays: -	45	
				Total number of 'Not Scheduled' is: -	0	
				<b>Totals: -</b>	<b>49</b>	<b>145 204</b>
10	<b>AETF finals.</b>	<b>With 49 entries.</b>	0 Cancelled or not scheduled festivals.			
		<b>49 Total,</b>	taking in the 'cancelled festivals'.			
	There were a total of	49	entries, which took part in this year's 'AETF inals'. There were	10		festivals that took place.
	It is interesting to note that	10	of these performances were duologues, and that there were	5		three hander's,
	equally, there were	18	performances with between four and seven characters and	15		which had over 8 characters.
