Within the family this year there were 24 Independently Organised Festivals, together with 13 AETF organised festivals.

114 performance evenings, & or matinees, taking place at 36 venues throughout England.

272 groups involved, which including cast and crew means that over 2,634 group members were taking part.

This equates to an average ticket price of £8 for independent Preliminary Round Festivals & £8 for AETF organised Festivals.

As a correlation this would suggest that on average, 2 groups, each with 10 members, performed to an audience 63 per performance.
